Family Name: \_\_\_\_\_

Child(ren's) Name: \_\_\_\_\_

Unit: \_\_\_\_\_

This survey is conducted in order that the parent committee meetings for all units (center, combination and home base), are offered at a time that the greatest number of families can attend.

Parent committee meetings are held monthly and include a business meeting and a parent education session. The education sessions are chosen by the parents after completing the Parent Interest Survey. (The education sessions must include the following education topics: Parenting Skills, Education and Child Development, Mental Health, Oral Health, and Nutrition).

Every parent or legal guardian of an enrolled child is a member of the local parent committee.

Your parent committee will use information from this survey to plan the best day and time of the week to hold the parent committee meeting.
